

# Cookie Policy Statement

PHOTOGRAM LTD Company shall inform Users about the use of cookies on this site. This Statement shall explain which cookie files we use. By continuing to browse the PHOTOGRAM website [www.photogram2020.com](http://www.photogram2020.com) , the User shall agree to the use of cookie files and their storage on his device.

1. Cookie files are text files that are stored temporarily or permanently on your computer's hard drive. These cookies are used to authenticate, track sessions and store specific information about the use and users of the website. Cookie files do not damage your computer.

2. The data collected by the cookie files is anonymous. You may delete all cookies that are already on your computer hard drive by searching for and deleting the files with “cookies” in it. In addition, if you want to prevent the storage of cookies on your computer, you may change your browser settings so that cookies are blocked. Unfortunately, if you block cookies, you may not be able to use the entire functionality of the website. For more information on cookies, please visit: <https://www.allaboutcookies.org/>

3. Web beacons consist of a small line of code that is a request for a graphic on a page or by e-mail. There may or may not be a visible graphic associated with the web beacon, and often this image is meant to blend into the background of a page or e-mail. Web beacons may be used for a variety of purposes, including website traffic reports, unique visitor counts, ad auditing, reporting, and personalization.

4. To improve the website [www.photogram2020.com](http://www.photogram2020.com) and services offered, we may use (temporary and permanent) cookies, permitted third party cookies, web beacons and/or other technologies to collect non-personally identifiable information. This non-personal data helps us to track online behavior in order to create specific or tailor-made offers or advertisements, and to track and record visits and use of the website [www.photogram2020.com](http://www.photogram2020.com) .

5. In order to understand exactly how users use the website [www.photogram2020.com](http://www.photogram2020.com) , as well as for the purpose of marketing analysis and quality improvement, the Company (and/or third-party service providers) may collect, record, process and use certain information on an anonymous basis (including the total number of transactions, pages viewed, links/exit pages, platform type, date/time information, as well as statistics such as: the number and location of mouse clicks on a given page, its movements, scrolling activity and search words that entered by users during their stay on our website [www.photogram2020.com](http://www.photogram2020.com)

6. By login on the PHOTOGRAM website or when using our website [www.photogram2020.com](http://www.photogram2020.com) , the User shall agree to the use of cookie files.

7. PHOTOGRAM also shall use your IP-address, a numeric code that identifies the User's computer on the network, to help diagnose problems with our server and administer the website [www.photogram2020.com](http://www.photogram2020.com) . Your IP address shall also used to collect extensive demographic information, such as determining the number of our visitors.

8. PHOTOGRAM may use log file information. The log file information shall be automatically reported by your browser every time you make a request to access (i.e. visit) a web-page

[www.photogram2020.com](http://www.photogram2020.com) or application. It may also be provided when the content of a web page [www.photogram2020.com](http://www.photogram2020.com) or application is downloaded to your browser or device.

9. When you use the PHOTOGRAM website [www.photogram2020.com](http://www.photogram2020.com) , our servers automatically record certain information about the log file, including your web request, IP address, browser type, link / exit pages and URLs, number of clicks and how you interact with links on the website, domain names, landing pages, pages viewed and other similar information. We may also collect similar information from e-mails sent to our users, which then help us track which e-mails are opened and which links are clicked by recipients. This information allows for more accurate reporting and website [www.photogram2020.com](http://www.photogram2020.com) improvement.

10. By continuing to browse this website [www.photogram2020.com](http://www.photogram2020.com) and not changing the current settings, the User shall agree to the use of cookie files. You may browse our website without cookie files, but some services may not be available to you!

11. The user may prevent the storage of cookie files on his device by adjusting the browser accordingly. Please note that most browsers accept cookies by default.

You shall have the right to get acquainted with the processed personal data, correct or delete them, restrict data processing.
